Mr. Robert Monroe,
Dept. 32,
Federal Shipbuilding Drydock Co.,
Kearny, N. J.

Dear Mr. Monroe:

I am writing to thank you for the very kind contribution made by your Department to assist in providing transportation for a show to our Soldiers at Fort Dix, N. J.

I am expecting you to arrange for a Committee to go down with the show next Tuesday, Sept. 15th. The bus leaves from in front of the W. P. A. Building 432 Plane Street, City at 5:30 P. M. on the dot. It cannot leave any later, as they must leave the grounds at Fort Dix exactly at 10 P. M. Please see that the Committee is on time.

Again thanking your Department for the \$6.00 they contributed on behalf of the Volunteer War Service Committee, of which I am the Treasurer and Miss Sarah Cooke, the Chairman.

Very truly yours,

EM:CCJ
